Education

2020

Computer Science and Engineeringv(B.Sc.)

Daffodil International University

CGPA: 3.76/4.00

Skills

- Python
- C
- Java
- Keras
- Tensorflow
- Django
- Open CV
- AWS

Work experience

Machine Learning Engineer — **12/2019 - today**

Apurba Technologies Limited,
Dhaka, Bangladesh

I am responsively for Image processing,Model tune,Model train,Model deploy and Model evaluation as a part of a team.Research & development of the Bangla OCR, Document Reader and NLP system.

Trainer - Python Programming for Data science — **03/2021 - 04/2021**

Department of Computer Science and Engineering,
ULAB

Research assistant | BSc student — **09/2017 - 2019**

DIU NLP & Machine learning Lab

I published two research paper on NLP and one on CV under this lab

Teaching Assistant (TA) — **09/2016 - 12/2019**

Department of Computer Science and Engineering
Daffodil International University

Serve as TA for CSE department in Problem solving course, OOP course,AI, Algorithm course.

- Rest API

ACHIEVEMENTS

- Got DIU Research award 2019,2020
- Got certificate for contribution as 'Student Prefect' or TA
- Added my name in Firefox browser about:credits page for my contribution in QA
- Got certificate for contribution as Trainer for Beat python -python training program.
- Got crest as a problem setter in Beat python programming contest

PRESENTATIONS

- ICCNT 2019 Conference (As a paper author), Date: July 6-8, 2019
- SMART 2019 Conference (As a paper author) Date: 12 December, 2019
- Mozilla Webmaker Event by DIU Firefox Club, Date: February 28,2017
- Python for Data Science (Workshop, as a Trainer) by ULAB
- Beat python (python course, as a Trainer) by DIU CPC

Interests

- Travel
- Reading Books
- watching movies

Reference

Sheikh Abujar
Lecturer
Department of Computer Science
& Engineering
Independent University, Bangladesh

Shahariar Rabby
Machine Learning Engineer.
Apurba Technologies, Dhaka,Bangladesh.

Springer, Singapore.* https://doi.org/10.1007/978-981-15-7394-1$_45$

PROFESSIONAL TRAINING

- Natural Language Processing- Machine Learning University (MLU)
- Improving Deep Neural Networks: Hyperparameter Tuning, Regularization and Optimization - DeepLearning.AI
- Introduction to TensorFlow for Artificial Intelligence, Machine Learning, and Deep Learning -Coursera
- Neural Networks and Deep Learning (Deep Learning specialization 1st course - Coursera
- Coursera Machine Learning by Andrew NG
- Mobile App Development (Android)Skills for Employment Investment Program (SEIP), BITM
- PYTHON-A to Z Full Course for Beginners (Udemy)
- Intermediate Python for Data Science (Datacamp)
- Artificial Intelligence A-Z:Learn How to Build an AI -udemy

COMMUNITY SERVICE

- Beat python: Python programing contest My responsibility was to organizing this event and I am also a problem setter of this contest.
- Research Talk on "Human computer Interaction -HCI" Session at Daffodil International University
- Arranged this event with my CPC Research team.
- Workshop on LaTex Daffodil International University CSE building, , Arranged this event with my Research team.
- Workshop on Data Science at Daffodil International University
- Mozilla SQA Workshop, I took session in deferent university as a core contributor of Mozilla QA
- Volunteering Experience with DIUCPC, Duration: January 2018 – December 2019, Daffodil International University Computer Programming Club (DIUCPC). I was vice president of Research Wing of DIU CPC 2019
